I. BACKGROUND

On January 8, 2020, the Court granted Defendant’s First Motion for Extension of Time to File its Corrected Verified Petition to allow Petitioner Stacey A. Campbell (“Petitioner”) permission to practice *pro hac vice* in this matter, which extended the deadline for Defendant to file its Corrected Verified Petition to January 17, 2020. (ECF No. 19). Attached as “**Exhibit A**” are Certificates of Good Standing to support Petitioner’s Corrected Verified Petition for the following states: (1) Colorado, (2) Kansas, (3) Missouri, and (4) Wyoming.

Petitioner is currently awaiting the final two Certificates of Good Standing from Arizona and Utah, which will be delivered to Petitioner by mail.

II. ARGUMENT

Federal Rule of Civil Procedure 6(b)(1) governs extension of time and provides that “the court may, for good cause, extend the time... if a request is made, before the original time or its extension expires.” Defendant respectfully requests that the Court grant an additional one-week extension of time for Petitioner to file the remaining two certificates from Arizona and Utah. Petitioner has used his best efforts to comply with the Court’s Order. To further reduce client costs and in the exercise of judicial economy, good cause exists for the Court to extend the deadline to correct the Verified Petition by one week, from January 17, 2020 to January 24, 2020, to allow sufficient time for Petitioner to receive his final two Certificates of Good Standing from Arizona and Utah.

For these reasons and in good faith, Defendant respectfully requests that the Court grant its motion for an additional one-week extension of time, up to and including January 24, 2020, for
